

# Lagley House and Douglas Gardens

## Supported Housing Scheme

Supported housing is accommodation for people who are aged 60 and over, who can live on their own but who would like to have support close by.

We have 33 supported housing schemes across Dacorum with a range of self-contained flats and bungalows. Social gatherings and activities are often available within these schemes.

Lagley House and Douglas Gardens in Berkhamsted, is a purpose built supported scheme.
