

Marlowes Pedestrianisation Vehicle Permit Scheme Terms and Conditions

Vehicular access to the Marlowes pedestrian area is at the discretion of the Dacorum Borough Council (DBC) and will only be permitted under exceptional circumstances through the Vehicle Permit Scheme. Permitted vehicles under the 'Pedestrianised Vehicle Permit scheme' are subject to DBC's terms and conditions and may be subject to a fixed penalty notice (FPN) under Traffic Regulation Orders if you are found entering Bridge Street or on the Marlowes pedestrian area without a permit (www.dacorum.gov.uk/marlowespvp).

Permit holders will be given vehicular access via Bridge Street, through the Automatic Number Plate Recognition (ANPR) operated automatic bollards in order to enter the Marlowes pedestrian area, subject to acceptance of these terms and conditions (including the attached plan).

The Marlowes pedestrian area and entrance route through Bridge Street are monitored by 24 hour CCTV.

Please note that no paper permit will be issued, registration details of those vehicles with permitted access will be stored electronically and access permitted as agreed subject to the agreed time periods and dates. More information can be found at www.dacorum.gov.uk/marlowespvp.

It is the responsibility of the applicant to ensure your completed application form is received by DBC at least 7 working days prior to being needed.

All enquiries should be referred to the Town Centre Team, Civic Centre, Marlowes, Hemel Hempstead, HP1 1HH – pvp@dacorum.gov.uk or on 01442 228000.
