Register of Temporary Event Notices

This document is Dacorum Borough Council's register of the Temporary Event Notices (TENs) given to the licensing authority under the Licensing Act 2003, which authorise licensable activities to be carried out on a one-off basis.

TENs are a light-touch type of authorisation, subject to strict usage limits. There is no legal provision for members of the public to object to TENs.

To search for a specific register entry, press Ctrl-F on your keyboard and enter the term you wish to search for. You may also have a 'find' option in your PDF reader program.

The register only contains details of Temporary Event Notices for future and recent dates, which have not been issued counter-notices to veto the proposed event. For details of historic, withdrawn or cancelled notices, please contact us.
