THE COMPETITION

You are invited to draw your future Hemel. Think as far into the future as you would like. Imagine far far ahead. Will your neighbourhood look different? How? What do you picture your workplace looking like? Will it have changed? What would you see when you walk down the street? How are you moving around?

Your drawing might be a map, or show how you think the entire town might look. It could also be a drawing of just one part of Hemel, a street or a park. It's up to you.

We encourage you to get creative - use lots of colour, use a huge piece of paper, draw on something that isn't paper, make your drawing move, draw with something other than a pencil!

COMPETITION TIMELINE

The competition opens on 24th June 2020 and closes at midnight on 31st JULY.
